PRESIDENT'S MESSAGE

By Jason Ruebl,
JMR Builders, LLC

It was good to see such a great turn out at the last membership meeting, thank you for showing support to your organization. Well, I think the weather is finally starting to warm up and stay that way. Hopefully this will give people the itch to get some stuff done around the home or even go look for that perfect property to build their dream home.

I am thrilled about the upcoming events. First, we have the membership meeting at Millhome Supper Club on April 14 with guest speakers Senator Joe Liebham, Assemblyman Steve Kestell, Representative Al Ott and WBA Director of Development Council, Pat Stevens. Please don't miss this

event, especially with the recent changes in government it will be great to hear what they have to say, and don't forget the meeting has been moved to 7:00 pm; cocktails prior. We have our membership drive on April 21; don't forget to sign up for a team or start your own team if you would like. A new event this year, that is exciting, is our 1st Annual rummage sale set for May 8th and 9th. Don't forget to drop off all of your items at Schneider & Schneider Constr. on the 7th. We are always looking for extra help if you're available, please let us know. I know it seems like a long way off; however, we are already working on putting things together for the fall Trap shoot, mark your calendars for September 16th. If you are interested in helping at all please contact Pam Van Dera.

Hope to see you all at the April meeting and have a great month.
