## Build your custom insurance package

Health insurance remains one of the most expensive and frustrating employee benefits your business offers. Since the Affordable Care Act (ACA) passed, many have experienced price increases, limited plan options, and a lack of carrier availability.

The WBA heard your concerns and is proud to announce that a new WBA Association Health Plan, underwritten by WPS Health Insurance, is here. WBA membership is required of the business owner, there is health underwriting, and health insurance must be offered to all your employees.

In addition to health insurance, when you team up with WPS Health Insurance, Arise Health Plan, and Aspirus Arise, you're eligible for exclusive WBA member pricing on additional services administered by **EPIC Specialty Benefits**. This lets you offer employer-paid ancillary benefits, such as life, short-term disability, and long-term disability, to your employees.
